## Commission Information

Thank you for your interest in a commissioned Connie Mae painting! I am honored to work with you on creating something very special.

Each commissioned painting is unique and created especially for the person who will be receiving it. Special care is taken to include unique features to create a meaningful piece of art just for you or the person for whom it is intended, bringing joy for many years.

I paint on specially treated archival quality board which can be custom ordered for any size that fits your space. Your finished painting will be delivered framed and ready to hang. If you have special framing preferences, that can be discussed and may incur additional cost.

Having a sense of the subject is important in creating a genuine interpretation of a place, person, or pet, so I paint from my own photographs when at all possible. I will not paint from copyrighted photos. Traveling expenses may be added for research and photography.

Rates are based on size as a starting point and may be altered depending upon details specific to your request. Discounts may be given for multiple paintings. Below is a list of basic rates according to standard sizes. Custom sizes are also available upon request.

12 x 9	\$400.00	36 x 24	\$1,800.00
14 x 11	\$550.00	40 x 30	\$2,150.00
16 x 12	\$625.00	48 x 36	\$3,050.00
18 x 14	\$800.00		
20 x 16	\$1025.00	Miniature Sizes:	
24 x 18	\$1,225.00	8 x 6	\$180.00
24 x 20	\$1,350.00	10 x 8	\$290.00
30 x 24	\$1,750.00		

Here's how the payment policy works. After we settle on a size, price, and basic details for your painting, I'll provide you with a written agreement and a 50% deposit will be required before I begin working on it. The 50% deposit may be divided in half with 25% of the total cost paid at the time of the agreement in order to hold a place in my schedule and allow me to begin working on a layout and sketch. The remaining portion of the deposit will be due upon approval of the scene and/or sketch before painting begins. The final 50% will be due upon delivery of your painting.

I look forward to talking with you about your piece and working together to come up with a unique and meaningful painting.
